* The declared net fund earning rate is based on the actual investment performance data for the previous week ending Sunday, less any applicable fees and taxation. However, for the last period of June, the declared net fund earning rate will not be finalized until 20 – 25 days after 30 June. Due to the end of financial year, please note that the last period of June and the first period of July are not for the full week. The declared net fund earning rate can be positive or negative. Generally, updates of the net fund earning rates are published on our website on the third business day of the following week.
