Addition 1:

Discount Travelclub

If you enjoy travelling, you'll love the savings you could receive on airfares, accommodation, tours, cruises, car hire and travel insurance when you become a **HOSTPLUS** Travelclub member. A joint initiative between **HOSTPLUS** and Breakaway Travelclub, the **HOSTPLUS** Travelclub could save you hundreds, maybe even thousands of dollars off every trip you take.

Why the savings are so big

Because Breakaway Travelclub is a leading supplier of discounted travel to the Australian hospitality, tourism and travel industries, many airlines use Breakaway to sell excess capacity at the last minute – anywhere from a month to a few days before departure. Hotel groups, tour operators and many other travel operators do the same. And you benefit.

To see what savings you can enjoy, just follow the Travelclub links at hostplusexecutive.com.au

Membership for just \$6.60 a year

HOSTPLUS Executive members are eligible to join the **HOSTPLUS** Travelclub for only \$6.60 a year. But as a warm welcome to the club, your first six months of membership are free.

They're savings you can share

You can share many of the benefits with family, friends and colleagues as long as non-members travel with a **HOSTPLUS** Travelclub member.

As we're sure you can appreciate, excess capacity may not be available all the time, especially during peak periods such as school holidays and Christmas. So if you're planning to travel at these times, the usual savings may not be available.

Book online or off

Bookings must be made using the form available from the Travelclub page at hostplusexecutive.com.au

You can lodge your completed booking form online or by email. Alternatively, if you choose to return your form by post or fax, a small processing fee may apply. Full payment is also required at the time of booking. In most cases it is possible to cancel or vary the details of your booking for a small service fee in addition to any fees levied by airlines, operators or suppliers.
